WHO WE ARE:

- **PETERSON ROOFING CO., INC.** has over **20 years of experience** managing large projects, enabling our clients to relax with peace of mind that their projects will run smoothly from start to finish.
- Our wide range of services allows us to meet all of our clients' roofing-related needs. We are committed to providing exceptional solutions throughout California and nearby states.
- We offer maintenance programs and services that preserve and strengthen the building envelope to ensure the durability of the roofing system for any kind of climate.
- Our team of roofers are trained to the highest industry standards, allowing us to handle emergency repairs and issues that occur during the life of the roof
- We provide detailed, easy-to-understand reports with photos of our findings to advise of the roof condition and allow our clients to make an informed decision.
- We answer customers' phone calls within minutes and emails within one hour or by the end of business every day.
- In our standard service area, emergency response is available 24 hours a day.
